Teacher/Staff of the Week

Teacher of the Week- Tanya Welch- You can catch Tanya sharing her enthusiasm when you walk into her classroom. Tanya might be stretching with her kids, jumping up and down to music, cleaning a boo-boo or singing a little tune to remind her kiddos to listen and follow along. She has such a passion for children and teaching. Tanya's students are blessed to have such a caring teacher. Thanks for all you do Tanya.

Staff of the Week- Cathy Schneider-Cathy works extremely hard on getting all of testing ready...which is a huge job! She is a very caring person and seems to always greet everyone with a smile on her face even when she is up to her head in test booklets. A big thank you Cathy!

Did You Know... April Fool's Day used to be called "All Fools Day"

Make It Room

Next year we are going to have a "Make It Room" as part of project based learning. This room will be filled with supplies students can use for their projects. We are looking for donations. If you have bottles, cans, paper towel rolls, buttons, envelopes, scrapbook paper, magazines, newspapers, tissue paper, poster board, boxes, pipe cleaners, old CD's, duck or masking tape, yarn, plastic flowers, or anything else that can be used as "supplies" please bring them in. This can be ongoing so we can replenish the supplies. We will accept just about anything. Thank you so much for your help!

CALIBRE ACADEMY

MRS. LEADERBRAND'S MTSS CLASS

MTSS staff continues to encourage our Calibre kids to become better readers. We are currently helping to support fourth and fifth grade students with their decoding and comprehension skills. The MTSS staff is also trained to conduct the DIBELS testing which is currently underway at this time. Please remind your child to put forth their best efforts when completing their DIBELS reading test. The MTSS staff thanks all the parents for your continual support at home in making reading a priority. Reading is a healthy habit!! :)
