Teacher/Staff of the Week

Teacher of the Week- Sheryl Harvey- She is a great inspiration and a great leader. She is extremely helpful to her students and will go above and beyond to make sure they strive to do their best. She always has a happy smile on her face which makes everyone feel welcomed. She is a great attribute to Calibre.

Staff of the Week-Maria Villegas- Maria is always ready to help between the cafeteria and facilities. She is a caring person who always has a smile on her face. Thank you Maria for all you do for the students.

Square 1 Art Fundraiser

Dear Calibre Families, your child has brought home a custom catalog featuring their artwork and a thank you gift for participating in our Square 1 Art Fundraiser that is theirs to keep. Won't you help make your child feel like an accomplished artist by purchasing keepsakes for the whole family with their masterpiece? Our school earns profit from every order. **All online and paper orders are due Wednesday, April 12th. The class with the most money raised and the class with the most family participation will earn a Doughnut Party!** ~ Mrs. Marciniak stephanie.marciniak@learningmatters.org.

No School on Friday, April 14th!!

Lost/Found- The lost and found will be cleared out soon so if you have missing items (lunchbox/water bottle or jacket/sweater) you have until **April 7th** before they are taken away.

Talent Show Try-Outs

today, April 4th and tomorrow April 5th

today from 3- 4:30pm / tomorrow from 3-5pm!

Az Merit Make-Up Testing

Monday, April 3rd, Thursday April 6th and Friday, April 7th

****Be sure your students are in attendance on all make up testing days and that they eat a healthy breakfast and have a good night's rest. Please try not to pull your child for any reason. If they are late or leave early, they will not be able to make-up the test.****

Did you know... The deepest canyons in the world are under water; some are 9,000 feet deep!!

CALIBRE ACADEMY

MS. BOTTERI LIBRARY CLASS

Welcome to Calibre Academy's Library! Here in our "nearly" revamped library, our Pre-K -5th graders are learning lessons and completing activities that correlate with their classroom curriculums. Since the beginning of the school year, the lessons have consisted of the following: Discovering different genres such as fiction/nonfiction, fairy tales, poetry, and mystery. For example, we have continued Read Across America (Dr. Suess' birthday,) that is nationally recognized. Calibre Academy was asked to participate in some or all of the fun and different activities that were planned for that day. For example, 15 minutes before dismissal, teachers are asked to take their students outside to the soccer fields with a book of their choice, and read until they are dismissed. If the students are in grades K-1st, the teacher is asked to read aloud a Dr. Seuss book of their choice. Also in our library and on special occasions, students are asked to volunteer and assist with special projects which they all enjoy doing. For instance, during this year's Open House and Spring Festival, the banners that were hanging up outside on the gates in the North and South parking lots were proudly made by several of our 5th grade students. We love all that we do here at our library.

Spirit Day Color Wars on Wed, April 5th
