Teacher/Staff of the Week

Teacher of the Week- Sharon Kaplan- Sharon exemplifies professionalism. She is friendly, welcoming, supportive, and easy to talk to. Sharon has a wonderful rapport with families, teachers, and students as well. She encompasses all the qualities of a mentor, leader, and friend.

Staff of the Week- Beatrice Gradillas- She is one of the first faces that parents and students meet at Calibre. She greets others with a smile and is incredibly helpful. Never one to sit still, she takes care of all requests immediately. We appreciate you Bea!

Mustang Sports Athletics Banquet

We will be having our annual sports banquet on Thursday, April 27th @ 5:30pm in the cafeteria. We are asking for students with the last name beginning with the letters A– L bring a main dish, and M-Z bring appetizer, salads and/or desserts (please remember t bring service utensils). This is an invitation for all Mustang athletes and parents only. Please contact Coach Klein with any question:

richardklein@learningmatters.org

We are also looking for volunteers to assist with dishing up the food for the evening. If you are able to volunteer, please contact Coach

8th Grade Promotion Dance/Dinner

The 8th grade **YMCA** Trip scheduled for 5/3/17– 5/5/17 will be having a parent meeting on Monday, May 1st @ 5:30pm in the cafeteria. See you there!

Make It Room

Next year we are going to have a "Make It Room" as part of project based learning. This room will be filled with supplies students can use for their projects. We are looking for donations. If you have bottles, cans, paper towel rolls, buttons, envelopes, scrapbook paper, magazines, newspapers, tissue paper, poster board, boxes, pipe cleaners, old CD's, duck or masking tape, yarn, plastic flowers, or anything else that can be used as "supplies" please bring them in. This can be ongoing so we can replenish the supplies. We will accept just about anything. Thank you so much for your help!

Rebeca Venegas, Principal
Sharon Kaplan, Vice Principal

CALIBRE ACADEMY

MRS. HARVEY'S SPED CLASS

In the K-8 Resource Classroom, students have been working really hard this last quarter from all grade levels to learn strategies for test taking. In addition, we have provided our learners with engaging learning opportunities to help them grow in mind. Reading, writing, and math instruction are continuously a part of their learning through many modalities to learn, and to meet all types of learner's needs. In addition, students have had the opportunity to write to a pen pal that has really made their writing shine. We have had fun writing and receiving letters in anticipation. It is a privilege to work with a great bunch of students we have here at Calibre.

National Teacher Appreciation

Do you have a favorite teacher from Calibre who holds a special place in your heart? Teachers are a huge part of shaping young lives, and encouragement and help from them can last a lifetime.

For National Teacher Appreciation Day on May 9, we'd like to collect some great memories of teachers from metro Phoenix and Arizona.

To participate

If you'd like to participate, please send your story to sonja.haller@arizonarepublic.com by Monday, May 1, at the latest. Include your name, a photo of you (from the time when they were your teacher, if you can!), the teacher's name and where they taught when you knew them.

We'll publish the stories we collect on All the Moms on Tuesday, May 9. Please send us a copy so we can share with our school.

Teacher Appreciation Week 5/1– 5/5

We appreciate our Calibre staff throughout the year; however, the week of May 1-5th, we're going to make each day extra special for all our teachers, staff, and specialists.

The daily activities below are just suggestions.

Monday – Words from the heart day: write a note or poem

Tuesday – Book dedication day: bring a book to donate to the class library

Wednesday – Favorite things day: bring your teacher something they would like

Thursday – Love from the oven day: bring a sweet treat

Friday - Bouquet day: bring your teacher a flower (there will be a vase on his/her desk – just put your flower right in the vase). Flowers will be on sale before school on Friday for \$1.

****Wednesday** – this day is a staff development day and we would like to have some snacks and treats for the teachers. If you can donate something, please drop it off in the office.
