Dear Calibre Families,

We are writing to inform you the plans Calibre has for the walkout scheduled this Thursday, April 26<sup>th</sup>. After speaking to the staff, we have enough evidence to know that we will not have enough adequate supervision to keep our students safe. Therefore, Calibre will be closed on Thursday until further notice. We will let you know as soon as we have enough supervision ( $\frac{3}{4}$  of our staff) to properly care for our students.

In addition extended care, preschool, lunches, the front office, and all before/after school activities will be canceled.

We will contact parents through our all call, text remind, email, and Facebook when the school will be reopened.

Thank you for your cooperation and understanding,

Sincerely,

Calibre Administration
