This Week's Spotlight

5th/6th yearbook elective class, picking a theme for this year's yearbook

Teacher of the Week

I would like to nominate Virginia Guzman for, "Teacher of the Week." Virginia is a great teammate and is always offering to help others. Her sense of humor always comes through to brighten anyone's day. Her students and our staff are very lucky to have her!

Staff of the Week

I nominate Figan Donnelley for staff of the week. She is a hard worker and very dependable. Figan jumps in wherever needed and is very passionate about her job. She adds a special spark to our Calibre family. Thank you Figan for all you do!

Student Council

Student Council Wants You to Show Your Character!

Every FRIDAY in the months of AUGUST and SEPTEMBER students may pay \$1 (or larger donation) to dress down in **GREEN** to represent the Character Trait of the Month: RESPONSIBILITY!

Your donations fund Student Council sponsored activities!
Please give your donation to your teacher on Friday morning!

Calibre Academy has implemented a unique way for parents to check on important data, such as your child's attendance and academic progress (e.g., teacher's gradebook data). This access is provided via a real-time Web-portal called FamilyLink that is dynamically linked to the school's Student Information System.

FamilyLink logins will be sent home in Tuesday Folder.

Don't wait for grade reports or report cards to discuss a student's progress. Grade books are updated on a regular basis and parents can access their student's grades online

If you need your student's login information, please contact Kristina Brilhante at kristina.brilhante@calibreacademy.com.

STUDENT COUNCIL

August 21, 2018

Hello Calibre Families,

Welcome back to another fun and exciting school year! Some of you may be wondering what student council is and what we do. Student Council is an organization conducted by students and supervised by adults. The purpose of the student council is to give students an opportunity to develop leadership by organizing and carrying out school activities and service projects. In addition to planning events that contribute to school spirit and community welfare, the student council is the voice of the student body.

As the year progresses, you might notice some STUCO sponsored activities here on campus. Some of these activities will include, but are not limited to, middle school dances, spirit weeks, Valentine's Day grams, canned food drive, and supporting international organizations. To make all of this possible we need everyone's help.

Student Council receives their funds and support from our Calibre family. This means you will see a number of fundraisers like our spirit weeks, Character Color Fridays, and Valentine's Day grams. All of the proceeds we collect go right back into the school for school use only. If we are raising money for outside purposes we will make sure we let you know. By giving to STUCO you are making the decision to support our students and from there our students can impact our society at home, as well as across the world. From the bottom of our hearts we truly thank each and every one of you for your donations and continued support.

Go Mustangs!
