We would love our students to experience different dishes from different cultures. Please share some of your traditional food by bringing a dish for students to try. We ask that you label the dish with its name, country, and ingredients (for allergy purposes).

This day is also a spirit day—global day—dress from your culture/ethnicity

Dear Parents,

We believe it is important that our students learn about different cultures. Having an ethnic feast is a way to introduce them to foods that are eaten around the world. This will be a good experience for the entire school. Calibre's Ethnic Feast will be on Friday, December 21. We are asking all of you to share a dish from your culture. You only need to bring one pan full because if everyone participates we will have enough for all of the students. Please cut the dish in sample size pieces and send in serving utensil. Each student will only be getting a small sample of different dishes. In order for this event to be successful, we need participation from everyone. The grade levels will be divided as follows:
K-2nd grade at 9:00 AM

3rd – 5th at 10:00 AM

6th – 8th grade at 11:00 AM

All families are welcome to come and enjoy this day with their student. Please note that students are served first and if there is enough food parents will be able to sample as well. We need you to RSVP by Friday, December 14th. Please fill out the bottom of the page and send it back to your teacher. We are also in need of volunteers to help serve the food. If you are able to help serve, please let us know on the bottom as well. **Each dish must be labeled with its name, country of origin, and ingredients (for allergy purposes).**
