This Week's Spotlight

Congratulations to Maurice for being the top speller and all the participants for doing a great job in the spelling bee!

Teacher of the Week 01/08

I nominate Cassandra Welsh. She has one of the most difficult jobs on campus, and she has still made time to go to school herself. She is very kind and has a lot of really good ideas for how to calm our kids down. She does a very good job working with our kids, and you can tell she really cares. She is a wonderful teacher and co-worker, and I am thrilled that she is on the campus with us!

Staff of the Week 01/08

I nominate Harmony Olson for staff of the week. She is a smiling face when you get into the lunch room. She makes sure all the kids eat and is a mother to all of them. Thank you Harmony!

News from the Office

We hope everyone had a wonderful winter break and welcome the students back to the second half of the school year! We would like to remind everyone of a few things.

Dress Code

Calibre polo short must be worn daily. Students can wear a spirit shirt on Fridays. All students may wear BLUE jeans daily but must not have any rips, tears or holes in them. Blue or khaki uniform bottoms may be worn as well. Jeggings or leggings are not allowed, however, girls may wear leggings under their uniform skirts only.

Parking Lot

Please drive with caution through the parking lot when arriving and leaving, remember the speed limit is 5mph at all times. Please refrain from using your phones while driving on campus. In the moment you look down, someone or something can be in front of your vehicle.

Attendance

Consistent school attendance is absolutely critical to the success of the students at Calibre Academy. Parents must contact the school whenever their child is absent from school. For those absences that are unexcused, a follow-up call will be made to notify you that your child is absent. A student must attend school for at least half a day in order to be counted present. Students who are withdrawn early in the day will only be counted for a partial day of attendance. Please remember, no students can be picked up from the office after 2:00pm.

Teacher of the Week 01/15

I would like to nominate Kim Swanson for teacher of the week. Kim is always willing to help out where needed. She takes the time to get to know her students, and helps out all teachers on campus. Kim is a great co-worker!

Staff of the Week 01/15

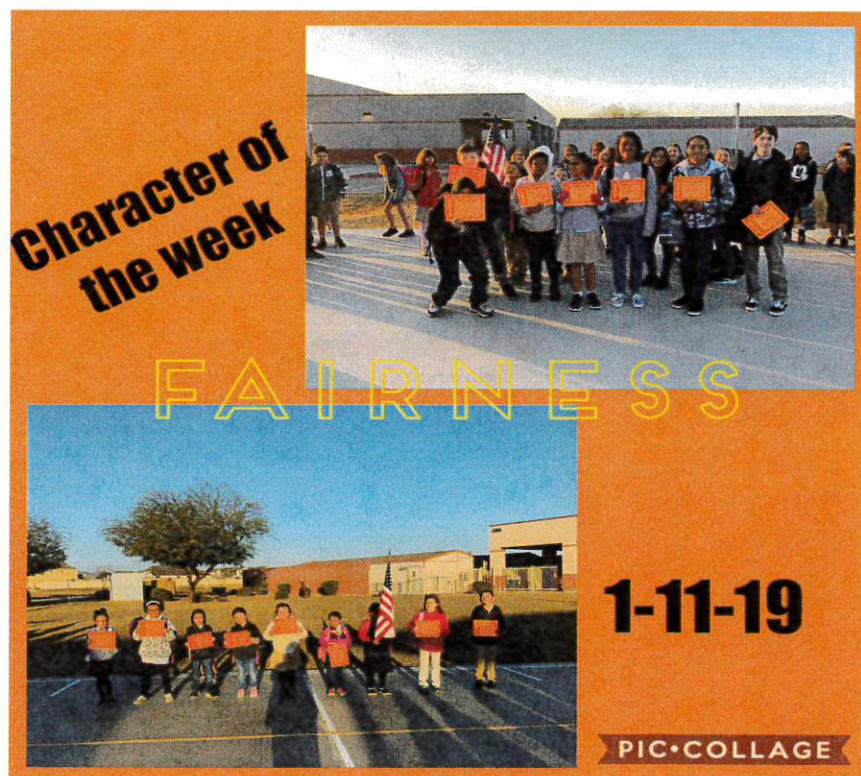

I nominate Jenny DuVall. She has been absolutely amazing since she started here. She always is willing to jump in & help where needed. She is awesome with the students & staff. There have been a number of middle school students that have nothing but positive comments about how great she is. Love working with her!

Student Council

I am Makayla and I wanted to be in Student Council because I love to plan and help my school. I have been in Stuco for 2 years and I have been at Calibre for 4 years. I like to make soap and draw and my favorite color is bluish purple.
