Teacher of the Week

It is my pleasure to choose Tami Tripp for teacher of the week. Miss Tripp is new to Calibre this year but has been a great addition to our family. Tami has a big heart and truly cares about her students. She works hard to make sure her students have what they need to succeed and that they do their best. Thank you Tami for your hard work and all you do!

Staff of the Week

Robyn has been part of the Calibre family for many years. She is always willing to help out and jump in when needed. Many of our students have safely arrived at their destinations because of Robyn's safe driving. She is an amazing member of our Calibre family and we are lucky to have her.

News from the Office

Safety is very important to us here at Calibre. Please remind your students that they should never put their hands on anyone else. Students should get help from a staff member if needed. Calibre will not tolerate "starring" or "necking" another person.

Thank you for your support in getting your student(s) here for AZ Merit last week
