3:00 PM

News from the Office

The Importance of Being On Time to School

Parents – it is very important that you get your student to school on time. When a student arrives late it throws off their whole day and is a disruption to the class. In addition, it is very **important** for children to develop habits of arriving on **time** at an early age, beginning from the **time** they start **school**. Being on time helps your child learn routines and commitment. Socially, being on time gives your child **time** to greet their friends before class and this can reduce the possibility of disruptions in the classroom.

**Order your yearbook today at
ybpay.lifetouch.com**

Yearbook ID code: 13241320

Yearbooks are \$22 until September 30!

CHEER

We had so much fun hosting the glow party last week. Thank you to all of the other organizations for hosting it with us!

Varsity cheer would like to wish volleyball, cross country, and football good luck as your season starts this week! We begin cheering September 11th. We hope to see you at the football game helping us cheer on the Mustangs.

Student Council

Elections were held last Friday for Stuco class representatives. Congratulations to the newest members! We look forward to welcoming our representatives at our next meeting on Wed., Sept. 4th at lunch time.

Kona Ice will be here on Wednesday at early release!

EXTENDED CARE NEWS

The month of August had many heat advisory days in it but extended care offers fun, food, friendships & a comfortably cool safe space for your children to flourish! We couldn't be more proud of these amazing children in our wonderful extended care program here at Calibre Academy! If you are thinking of signing up your child don't hesitate! We have a little room left but it won't last too much longer! We would love to see your son or daughter or both join us this September!
