EXTENDED CARE NEWS

First off we would like to congratulate our coworker and friend Ms.Cindy on the arrival of her new grandson! Grandchildren make our circle of life sparkle reawakening all the excitement and adventure that a child instantly brings into our lives. We are all so happy for you and yours Ms.Cindy!

The painting of our pumpkins for Halloween kept the students in Aftercare happily busy for several days. The winner of the best painted pumpkin was Aurora F. who received a little prize for all her creativity and hard work! Congratulations to all the Aftercare students for their contribution to this fun activity! We had a little celebration on Wednesday and then drew names for the students who got to give these pumpkins a nice home for Halloween!

We started our AFTERCARE VOLUNTEER PROGRAM last week instilling the importance of core values of community and citizenship right here at our school. A big thank you to Layla W., Madi W., Zoey S., Kailynn C., Allison G., Braylon T., Auggie G., Jace S., Maddie H; and Aurora F.for stepping up and doing such a good job offering a helping hand when needed!

It's hard to believe the first three months of our AFTERCARE GOLD STARS PROGRAM has quickly gone by. Allison G. holds first place at this time with a total of 4 stars! We have six students with 2 stars each and 17 students with 1 star each at this time! Good job to all students! We could not be more proud of them!

Just a reminder we will have another early release day this Wednesday, Nov.6th! Please be sure your child has a sack lunch from home or a lunch previously ordered from our cafeteria. Kona ice will be here as well but your child must have \$3.00 to make a purchase or tears may quickly follow!

Hope everyone enjoys their week! Take Care!

Michelle, Cindy, Melissa & Linda
