## CHEER

The varsity cheerleaders have their third competition this Saturday in Mesa. We wish them luck!

## **Student Council**

Stuco celebrated the recent Winter Break with a party instead of the regular style meeting before break began. Members exchanged gifts and fun was had by all. Upcoming events include a possible fundraiser and planning for the next dance.

## **EXTENDED CARE NEWS**

Happy New Year Everyone! Hard to believe but we are halfway through our school year already! Your sons and daughters are right back at their academics after a much needed break. Did you know we offer homework help when they come into Aftercare? We provide a quiet space for them to concentrate away from the play area. Should they have any questions we are there to assist in finding the answers. If there is an assignment requiring timed reading we can accommodate that as well. We encourage our students to do their homework first before anything else.

Our students also love to unwind and have some fun so we do our best to provide positive reinforcement activities for their health and wellness, community building, environmental learning, language literacy, culture and art, social emotional development and so much more.

So if you've been contemplating enrolling your child into our extended care program whether it be just for a while in the mornings in Before Care or in our Aftercare program after school please contact our front office personnel for more details. We have many students who do both so that is also a viable option if desired.

In the meantime we thank you all who have entrusted your children into our care. We take this responsibility very seriously and look forward to the next half of this school year being as awesome as the first!

# Drawing Classes for kids

at Calibre Academy

(Class held on campus)  
Grades K-5

Start 2020 off with a bang! Young Rembrandts students will flex their creative muscle as they take on artistic challenges like our Winter Birdhouses and Sporty Snowboarder lesson in January. In February, students will master perspective and personality as they complete a cute Llama lesson, cute Penguins and their own version of Grant Wood's *American Gothic*. And in the month of March, get ready for a mix of elegance and graphic style drawings as students complete a Graceful Swan and Line Art Owl. There's no better way to shake the winter blues.... Sign up today!
