## News from the Office

As we begin the 2<sup>nd</sup> semester we would like to send a reminder of our dress code policy.

**Hairstyles** —Boy's hair length should not be longer than their earlobes on the side or below the collar in the back. Boy's hair may not be put up in any way or for any reason. No extreme styles or colors are allowed; this includes but is not limited to Mohawks, shaved hair designs, and other non-traditional hair styles. Hair must be a color that would naturally occur on an individual- there will be no severe or contrasting high-lights of any kind (blue, red, green, pink, etc). Students may not wear hair color on Spirit Days. The administration reserves the right to decide what is acceptable and what is not.

Tattoos, body piercing other than ear piercings (girls only), etc. are unacceptable. Temporary tattoos should not be visible

No Heely's are permitted on campus.

When there is a "wear your own clothes day" (students may wear their own clothes on their birthdays) clothing must be neat, proper fitting, and school appropriate. No intentional or "stylish" tears or cuts should be found on pants or tops. T-shirts must cover the entire upper half of the body; no spaghetti strap tank tops. "Dress Down" still requires compliance to the dress code- shirts, pants/skirts/skorts/shorts, shoes, and socks. **Jeggings, or leggings bottoms are all not allowed even on dress down days.** Leggings may be worn under the uniform bottoms.

Note: To attend class, all students must be in compliance with all parts of the student dress code. It is the responsibility of both parents and students to understand and agree to the Calibre dress code as part of the enrollment process. The administration reserves the right to decide what is acceptable and what is not.
