News from the Office

REGULAR CITY COUNCIL MEETING REGULAR CITY COUNCIL MEETING

We are so proud of our choir students for going to the Surprise City Council and singing The National Anthem and leading the Pledge of Allegiance. Choir is directed by Aliona Hewitt. If you have a chance to come hear the choir please do. They are really amazing. In addition to choir, Calibre also offers band, directed by Ms. Fredrickson and guitar orchestra, directed by Mrs. Lambert.

Music in schools is a subject that can enrich students' lives and education. Music education is so important, and how it offers benefits even beyond itself.

Competitive Cheer 2020-2021

Are you interested in doing competitive cheer next year? We are taking a survey of students currently in grades 5th-7th grade to see who would be interested in a competitive cheer squad only. This means we would only compete and not cheer at any games. The season would be August – March. Tumbling is highly preferred. If you are interested please email Mrs. Kaplan at sharon.kaplan@calibreacademy.com or let the front office know.

March 9, 2020

CORONAVIRUS UPDATE

The health and welfare of our students, families, employees and community is one of Calibre Academy's highest priorities. We want to share with you the latest information regarding the coronavirus/COVID-19 in a continued effort to keep our schools safe.

Calibre takes direction from the Maricopa County Health Department on any public health issues that impact our school and community. Should any concerns arise regarding the Coronavirus, or any other community health issue, we would take immediate action to ensure the safety of our students and staff.

Because protection from all respiratory viruses is similar, we would like to remind everyone of ways to prevent the spread of respiratory viruses, such as the flu:

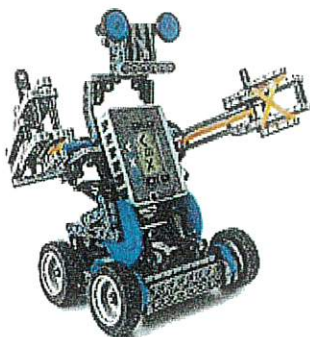

- Wash your hands often with soap and water for at least 20 seconds.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when you are sick, and keep sick children home as well.
- Cover your cough or sneeze, then immediately discard any tissues.
- Clean and disinfect frequently-touched objects and surfaces such as keyboards, phones, or door knobs.

Our staff are taking these precautions in order to ensure a healthy learning environment for our students. Please know that the school is monitoring this situation. Our focus is maintaining the safety of students and staff.

Thank you,

Calibre Administration
